2425 DUARTE ROAD, PENRYN, CA

4 Bedrooms | 4 Bathrooms | Approx. 4,750 Sq.Ft. | 5.2 +/- Acres

Set behind a tree-lined approach within an exclusive enclave of estate properties, this extraordinary Penryn farmhouse is a masterclass in scale, craftsmanship, and timeless design. Spanning five pristine acres, the residence blends refined rustic elegance with modern sophistication. Inside, curated living spaces unfold with custom millwork, detailed ceilings, and seamless indoor-outdoor transitions framed by multiple French doors capturing tranquil pond and pastoral views. The chef's kitchen is both a showpiece and a workspace, appointed with a Viking range, Miele espresso system, and an expansive quartz island designed for gathering. The primary suite is a private sanctuary, offering a spa-caliber bath and terrace. Beyond the main residence, the estate reveals itself as a true compound: a remarkable workshop with workshop studio, private ADU, event space, and guest quarters. Equestrian-ready grounds, a separate barn, gated pool, and energy-efficient systems complete a property of rare distinction—crafted for those who seek privacy, versatility, and enduring legacy.
